

Biever Camp Scholarship
Nomination Criteria

1. Students should be in grades 6, 7, or 8. We find that 7th grade is the optimum grade level. Please make sure if you nominate a 6th grade student that they are mature enough to attend the camp experience. 8th grade students may have issues performing for our Fall meeting with their new High School activity schedule. That being said we are flexible in awarding the scholarship to deserving 6th & 8th grade students.
2. Please make sure that the parents understand that they are responsible for their child's behavior at camp, transportation to and from camp, any camp fees over the scholarship award, and that the scholarship money will be sent directly to the camp.
3. Please make sure that all nominees understand that they will be responsible for performing a short program for our September meeting. (October in convention year). Parents are invited to the meeting when their child performs.
4. We normally give 2 (two) \$300.00 scholarships each year. There have been exceptions when we had only one candidate or extra funds were made available due to a bequest from an SAI member or a highly successful fund raiser. These exceptions are voted upon by the chapter.
5. Finally, all applications for the scholarship must be submitted no later than the April meeting so that the chapter may vote on them at that time and the monies can be sent to the camp. All scholarship winners must provide their camp ID number and mailing address for the camp so that the monies can be properly distributed. Students must be nominated by an Oak Park Alumnae chapter member.
